APSARA DE SILVA

ASSOCIATE SOFTWARE ENGINEER

Dear Sir/Madam,

My name is Apsara De Silva, and I am writing to express my keen interest in applying for the Associate Software Engineer position at your esteemed organization. I recently graduated with a Bachelor's degree in Information Technology from Saegis Campus Nugegoda, achieving a first-class distinction. I am honored to have received the Gold Medal for outstanding performance and was recognized on the Dean's list for the best academic performance in 2023.

Throughout my academic journey, I cultivated proficiency in a diverse set of programming languages, including ReactJS, JavaScript, HTML, CSS, PHP, Java, and Kotlin. I worked as a software engineer intern at LB Finance PLC, where I had the privilege of working extensively with technologies such as AngularJS, MSSQL, .NET 6, and C#. During my time there, I contributed to the company's internal system development, named Eclipse System. My responsibilities included developing the frontend, backend, and database using the aforementioned tools and languages, aligning with the assigned user stories. This hands-on experience significantly enhanced my technical skills and deepened my understanding of software development.

Moreover, I possess strong soft skills, including problem-solving, teamwork, communication, and adaptability. These qualities have allowed me to effectively collaborate with cross-functional teams and contribute positively to project outcomes.

I am excited about the opportunity to bring my skills and enthusiasm for software development to your team. I am confident that my educational background, hands-on experience, and dedication make me a valuable candidate for this position.

Thank you for considering my application. I look forward to the possibility of discussing how my skills and experiences align with the needs of your company. Please find my resume attached for your reference.

Kind regards,

Apsara De Silva.
